

AMENDMENTS TO THE SPECIFICATION

In the Specification:

Please amend the specification starting on p. 1, line 1 as follows (where underlining “_” denotes additions and double brackets “[[]]” denotes deletions):

This application is a continuation of, and claims priority to and the benefit of the filing date of, copending U.S. utility application entitled, “SYSTEM AND METHOD FOR CONTROLLING POWER DEMAND OVER AN INTEGRATED WIRELESS NETWORK,” having Serial No. 09/929,926, filed August 15, 2001, U.S. Patent No. 6,671,586, issue date December 30, 2003, which is incorporated herein by reference in its entirety.
